“Harvested Naturally, Trusted Globally”

## About Us

**Chaitanya International LLP**, based in Gujarat, India, is a global export company dedicated to sharing India's natural bounty with the world. Its flagship brand, **Chaitanya Organics**, represents purity and authenticity in organic and agricultural products. While **Chaitanya International** manages international trade and logistic.

**Chaitanya Organics** is one of the emerging names in the field of Indian spices and agriculture product exports. We specialize in delivering 100% natural, chemical-free, and sustainably sourced Indian spices to customers across USA, Canada, Europe, Middle East, Africa, and Asia.

Our journey began with a simple vision – to connect Indian farmers with international consumers who value authenticity, purity, and sustainability. By working closely with local growers and trusted suppliers, we ensure that every product we export reflects the rich heritage, aroma, and taste that India is known for.
